CHAPTER XXIV.

CONDITIONS OF SERVICE, LEAVE, ETC.

Definition—

1. In these rules “Average pay” means the average monthly pay earned during the twelve complete months immediately preceding the month in which leave is taken, provided that in the case of an officer who has been on leave during those twelve months such period of leave shall be omitted from the calculation.

Vacation counts as duty for the purposes of this rule.

For purposes of the above calculation, allowance, granted for a specific purpose, such as conveyance allowances house rent, etc., are not taken into account, nor are such allowances as fees for examination and travelling allowances.

2. These Leave Rules apply to all permanent officers, teachers or clerks of the University, excluding those lent by Government who continue to be under the Government Leave Rules, *i.e.*, the Fundamental Rules or Civil Service Regulations, as the case may be.

3. Officers, teachers or clerks, who having resigned Government service or retiring therefrom, have accepted employment under the University, are entitled to add to the leave earned by service under the University, such amount of leave earned under Government and at their credit on leaving Government service as may be agreed upon by any special contract made between them and the University at the time of entering into service of the University.

General Conditions—

Ch.XXIV.

4. Leave is earned by duty only.

5.(a) An officer, teacher or clerk who resigns or is discharged from the employment of the University, cannot, if re-employed after an interval, count his former service towards leave without permission of the authority re-appointing him.

(b) An officer, teacher or clerk who is dismissed or removed from the University service but is reinstated, is entitled to count his former service towards leave unless the authority reinstating declares that he shall not be entitled to count it in whole or in part.

6. Leave cannot be claimed as of right. When the exigencies of the University service so require a discretion to refuse or revoke leave of any description is reserved to the authority empowered to grant it.

7. Leave ordinarily begins on the day on which an officer, teacher or clerk relinquishes his duties and ends on the day preceding the date on which he resumes them, or if duties are relinquished or resumed in the afternoon, the leave shall commence or end respectively on the following day.

8. All orders recalling an officer, teacher or clerk to duty before the expiry of his leave should state whether the return to duty is optional or not. If it is optional the person so recalled is entitled to no concession. If it is compulsory, he is entitled :—

(a) If the leave from which he is recalled is out of India :

(i) to receive a free passage to India ;

(ii) to count the time spent on the voyage to India as duty for purposes of calculating leave ; and

Ch. XXIV.

- (iii) to receive leave salary during the voyage to India, and for the period from the date of landing in India to the date of joining his post to be paid leave salary at the same rate as he would have drawn had he not been recalled.
- (b) If the leave from which he is recalled is in India :
 - (i) to be treated as on duty from the date on which he starts for the place to which he is recalled ; and
 - (ii) to draw travelling allowance for the journey but
 - (iii) to draw leave salary only until he resumes charge of his duties.

9. An officer, teacher or clerk who remains absent after the end of his leave is not entitled to leave salary during the period of such absence, and that period will be debited against his leave account as though it were leave on half average pay, unless his leave is extended by the authority authorised to grant leave. Wilful Absence from duty after the expiry of leave may be treated as misbehaviour.

10. Leave to officers and teachers is granted by the Executive Council and that to members of the clerical and administrative staff by the Heads of the offices to which they are attached after consulting the leave account.

Kinds of Leave—

11. Leave may be of the following kinds ; which may be combined with each other, subject to limits laid down in Rules 15 (b), 15 (c) and 16 :—

- (i) Leave on average pay ;
- (ii) Leave on half average pay ;
- (iii) Leave on quarter average pay ;
- (iv) Leave without pay ; and
- (v) Study Leave.

For purposes of calculation leave on half or quarter average pay counts as equivalent to half the period of leave on average pay. Study Leave and Leave without pay are not debited to the leave account.

NOTE :—Casual leave for short periods is not treated as regular leave and is not debited to the leave account (see Rule 20). Casual leave may not be combined with regular leave of any kind or with joining time.

Leave due—

A leave account shall be kept for each officer, teacher or clerk in the attached form.

12. The leave due to an officer, teacher or clerk, is the amount of leave earned, representing the credit under Rule 13, less the amount of leave taken representing the debit under Rule 14.

13. The amount of leave, expressed in terms of leave on average pay, earned by an officer, teacher or clerk, is a period equal to $5\frac{2}{3}$ nds of the period of duty, limited, however, to a total period of $2\frac{1}{2}$ years plus $1/11$ th of the period of duty. This amount can be increased by the period of leave spent out of India or Ceylon up to a limit of 6 months.

14. From the amount of leave earned by an officer shall be deducted :—

- (a) The actual period of leave on average pay taken;
- (b) Half the period of leave on half or quarter average pay taken.

Ch.XXIV.

maximum amount of leave on average pay shall be increased by the period spent out of India or Ceylon or covered by a Medical Certificate up to a limit of one-eleventh of duty plus one year—not more than 8 months at a time.

(b) On half average pay up to double the amount of leave on average pay at credit, subject to the limit of 28 months' leave at one time inclusive of leave on average pay, if any.

(c) Leave after 28 months cannot be granted without a Medical Certificate and shall be on quarter average pay.

16. No officer, teacher or clerk can take leave continuously for more than five years either with or without allowances.

Vacation—

17. (a) Vacation counts as duty but the period of total leave in rules 13 and 15(a) shall ordinarily be reduced by one month for each year of duty in which an officer, teacher or clerk availed himself of the vacation. If a part only of the vacation has been taken in any year, the period to be deducted will be a fraction of a month equal to the proportion which the part of the vacation taken bears to the full period of the vacation.

(b) In cases of urgent necessity, when an officer, teacher or clerk requires leave and no leave is due to him, the period in rules 13 and 15(a) as reduced by clause (a) of this rule, may be increased by one month for every two years of duty in a vacation department.

(c) When an officer, teacher or clerk combines vacation with leave, the period of vacation shall be reckoned as leave in calculating the maximum amount of leave on average

pay which may be included in the particular period of leave. Ch. XXIV.
Leave not due taken in advance—

18. (a) Leave not due may be granted subject to the following conditions :—

- (i) On Medical Certificate without limit of amount.
- (ii) Otherwise than on Medical Certificate for not more than three months at any one time and six months in all reckoned in terms of leave on average pay.
- (iii) Clauses (i) and (ii) are subject to the maxima prescribed in rules 13 and 16.

(b) When an officer, teacher or clerk returns from leave which was not due and which was debited against his leave account, no leave will become due to him until the expiration of a fresh period spent on duty sufficient to earn a credit of leave equal to the period of leave which he took before it was due.

Study Leave—

19. Study leave on half average pay for a period not exceeding two years, may be granted to a teacher of not less than four years standing. All applications for study leave must be accompanied by a statement of the work the teacher intends to do during the leave, and on return from leave the teacher must submit to the Academic Council a report of the work he had done. Such leave is not debited in the leave account. Study leave may be combined with other leave subject to the limits in Rules 15(b), 15(c) and 16.

19.(a) When leave is granted to a teacher for the purposes of study abroad and a Government or other scholarship for such purpose is awarded to him, if such scholarship is equal to or exceeds the amount of his pay from the University his leave shall be without pay; and in other cases his leave pay, if any, shall not exceed the difference between such scholarship and his pay from the University.

Ch. XXIV. *Casual Leave*—

20(a). Casual leave, which cannot be accumulated and cannot be joined to any other sort of leave, can be granted for 14 days in one academic year :—

(i) By the Vice-Chancellor to an officer or teacher of the University ;

(ii) by the Head of an office to a member of his staff.

(NOTE.—Applications of the Heads of Departments should be submitted to the Vice-Chancellor direct and of others through their departmental heads.)

***Leave without allowance*—**

21. When no other leave is by ordinary rules admissible, leave without allowance for a period not exceeding two years may be granted by the Executive Council under conditions to be determined in each individual case, provided that the interests of the University are not prejudiced by such grant of leave. Such leave is not debited to the leave account.

Arrangements with regard to the position of the Training College, Allahabad, in connection with the University.

1. The present position of the Training College is in conformity with the provisions of Section 36(2), as being a "College of the University," so far as 'informal teaching' is concerned.

2. As regards 'formal teaching,' this should be conducted by Professors, Readers and Lecturers who have been appointed to posts under the Department of Education in the University—either by the Executive Council or by that 'person or authority' to whom that Council delegates its power, in accordance with Statute 2(d) of Chapter II.

3. It is recommended that in view of the special circumstances of the Training College, the Chancellor should be the 'authority' to whom the said power may be delegated.

4. As regards the performance of duties as Professors, Readers and Lecturers, the persons appointed in the aforesaid manner must be subject to the same control and to the same rules as any other Government servants teaching in the University.

5. The Committee sees no objection to the professor, reader or lecturer so appointed exercising such administrative duties in connection with the Training College as do not interfere with his work under the University.

6. The following are some other points of detail, which should be attended to—

(a) *Admissions.*—These should be made in the same manner as in other Departments of the University.

- (b) *Lectures*.—These should be controlled by the Dean of the Faculty of Arts.
- (c) *Payment of Fees*.—No tuition fees are charged in the Training College. This practice may be allowed to continue. The fees for registration and admission and examinations should be paid, as they are already being paid to the University. In addition to this the students of the Training College should pay the annual fee of Rs. 5 for athletics, union and other societies, which is paid by every student of the University, and they should be entitled to the corresponding privileges.
- (d) *Courses of Study and Examination*.—These should continue, as now, to be controlled by the University.
- (e) *Discipline*.—Should be under the same control as in other Departments of the University.
- (f) *Inclusion under Faculty*.—The Department of Education should, as now, be under the Faculty of Arts.

The relative efficiency of more specialised labour and machinery is studied, if possible, with actual machines leading up to a study of large-scale manufacture and marketing.]

Griffith, M.A., C.I.E. together with such further sum as may hereafter from time to time be collected for the said purpose.

The property in the fund shall be vested in the University of Allahabad in trust for the following purposes :—

The fund shall be invested in Government Promissory Notes, and the income accruing therefrom shall be applied annually to the bestowal of Scholarship prizes for the encouragement of, and reward for, proficiency in the study of Sanskrit learning at Benares.

The said scholarships and prizes shall be denominated the Griffith Memorial Scholarships and prizes respectively, and shall be awarded to such students only as are actually pursuing their studies at the Sanskrit College, Benares.

The income of the fund shall be annually applied in the following manner :—

(b) The surplus, if any, to prizes in money.

The scholarships and prizes shall be awarded by a committee constituted as follows :—

LUMSDEN MEMORIAL SCHOLARSHIPS AND GOLD MEDAL.

At a public meeting held at Benares on the 2nd August, 1891, it was resolved, in view of the approaching retirement of the Hon'ble J. J. F. Lumsden, C.S., Senior Member of the Board of Revenue, United Provinces of Agra and Oudh, who during his long connection with these Provinces, and more particularly with the Benares Division, had endeared himself to all classes, that in order to perpetuate his memory, a fund be raised for the purpose of founding a medal and two scholarships. This fund, amounting to Rs. 7,000, has been vested in the Treasurer of Charitable Endowment for the United Provinces of Agra and Oudh. The interest is paid to the Registrar of the University of Allahabad and is expended by the Syndicate in the following manner:—

(a) The Syndicate awards every second year a scholarship called the "Lumsden Sanskrit Scholarship" of the value of Rs. 10 now reduced to Rs. 8 *per mensem*, as Government Promissory Notes are reduced to 3½ *per cent.* and tenable for two years to the student who passes the Intermediate Examination of the Allahabad University and obtains the highest number of marks in Sanskrit, among those who take up Sanskrit as their second language. The scholarship is awarded subject to the condition that the student continues his studies for the B.A. Examination in a College affiliated to the University of Allahabad.

(b) The Syndicate also awards every second year a Scholarship called the "Lumsden Arabic or Persian Scholarship" of the value of Rs. 10 (now Rs. 8 only) per mensem, and tenable for two years, to the student who passes the Intermediate Examination of the Allahabad University and obtains the highest number of marks in Arabic among those who take up Arabic as their second language. The scholarship is awarded subject to the condition that the student continues his studies for the B.A. Examination. If no student passes the Intermediate Examination with Arabic as his second language in the year in which the scholarship is awarded, the scholarship will be awarded on the same conditions to the student who passes the said examination and obtains the highest number of marks in Persian as his second language.

(c) The Syndicate also every year awards a gold medal of the value of not less than Rs. 50 and not more than Rs. 60, called the "Lumsden Medal," to the student who stands highest in the examination for the Degree of Bachelor of Laws of the Allahabad University.

(d) If a student holding either of the scholarships discontinues his studies, die, or through misconduct or any other cause be considered by the Syndicate disqualified to hold the scholarship, it will be given for the rest of the term of two years to the next best student of the same year who fulfils the requirements laid down in clauses (a) and (b) above.

2. The Syndicate awards one of the aforesaid scholarships alternately every year commencing with the "Lumsden Sanskrit Scholarship" in 1893 and the "Lumsden Arabic or Persian Scholarship" in 1894.

3. The Syndicate will, from time to time, invest in Government securities any surplus that may remain over annually, after meeting the cost of the scholarships, the medal, and incidental charges, and will apply at their discretion the interest received from this source towards increasing the value or number of the scholarships.

THE ALLAHABAD JUBILEE FUND.

At a general meeting held at Allahabad on November 24th, 1887, for the purpose of disposal of the money subscribed for commemorating Her Majesty Queen Victoria's Jubilee, it was decided that the fund amounting to Rs. 19,600 be invested in Government or other securities guaranteed by Government, Imperial or Local, and the income thereof annually expended in providing certain bursaries and Medals to be awarded 'among the students of the University of Allahabad under such Regulations and according to such scheme as are hereafter established and set forth'.

The scheme provided for the award of the following bursaries and medals from the income of the Fund every year :—

- (1) A bursary of Rs. 200 to such student of the Muir Central College at Allahabad as the Registrar of the Allahabad University may report to the trustees as the most successful candidate at the annual examination held by the said University for the degree of Bachelor of Laws ;
- (2) A bursary of Rs. 200 to such student of the said College as the said Registrar may report to the trustees as the most successful candidate at the annual examination held by the said University for the degree of Bachelor of Arts and as having in such examination taken up Arabic as the second language.
- (3) A bursary of Rs. 200 to such student of the said College as the said Registrar may report to the trustees as the most successful candidate at the last mentioned examination and as having in such examination taken up Sanskrit as a second language.

- (4) A gold medal to such student of the said College as the said Registrar may report to the trustees as the most successful candidate at the annual examination held by the said University for the degree of Master of Arts.

- (6) A silver medal to such student of the Allahabad Zillah School as the said Registrar may report to the trustees as the most successful candidate at the last-mentioned examination.

In the event of any surplus of income remaining in the hands of trustees in any year after providing for the bursaries and medals aforesaid whether in consequence of any increase in the funds at the disposal of trustees or of any bursary or medal being withheld the trustees had power to apply such surplus or any part thereof to such educational purposes as they in their discretion might determine.

In 1926 Rai Bahadur Pandit Baldeo Ram Dave, who was the sole surviving trustee, appointed, by a trust deed, Mahamahopadhyaya Dr. Ganganath Jha, Vice-Chancellor, Allahabad University, Dr. J. C. Weir, Professor of Law in the Allahabad University, Rai Bahadur Pandit Kanhaiya Lal, and Dr. S. M. Sulaiman, Puisne Judges of the High Court at Allahabad as the trustees of the said Fund which then amounted to Rs. 31,000 invested in 3½ per cent. Government Promissory Notes. And as the Muir Central College has ceased to exist as an independent institution and is now absorbed in the teaching and tutorial side of the University of Allahabad and as the Allahabad University has ceased to examine students for the entrance

examination the Trustees have revised the scheme which now provides for the award of the following bursaries and medals so long as the income is sufficient for the said purpose :—

- (1) A scholarship of Rs. 20 per month for ten months to such student of the University of Allahabad (Internal Side) as the Registrar of the Allahabad University may report as the most successful candidate at the annual examination held by the said University for the degree of Bachelor of Laws and who joins the Final LL.B. class of the Internal Side of the said University in the session immediately following that in which he passed the previous examination

The scholarship shall cease to be payable if the holder of it does not pass the Previous examination for the M.A. degree in Arabic.
- (3) A scholarship of Rs. 10 per month for 20 months to such student of the said University (Internal Side) as the said Registrar may report as the most successful candidate at the last mentioned examination and as having in such examination taken up Sanskrit as a second language and who joins the M.A. Previous class in Sanskrit. The scholarship shall cease to be payable if the holder of it does not pass the Previous examination for the M.A. degree in Sanskrit.

- (4) A gold medal to such student of the said University (Internal Side) as the said Registrar may report as the most successful candidate at the annual examination held by the said University for the degree of Master of Arts.
- (5) A gold medal to such student of the said University as the said Registrar may report as the most successful candidate at the highest annual examination in Science held during the year.

DEAR SIR,

I have to inform you that the application of your University for the recognition of its degrees of M.B. and B.S., together with the communications transmitted on the 10th September and the 29th October, were considered by the Executive Committee of this Council at its meeting on the 23rd ultimo, when the following resolution was adopted :—

Resolved :—“ That the application of the University of Allahabad be acceded to, and that Registrar be authorised to place upon the *Colonial List of the Medical Register* any person who holds the degrees of M.B., B.S. of the University of Allahabad, provided that he satisfies the Registrar of the General Medical Council regarding the other particulars set forth in Part II of the *Medical Act*, 1886.”

I have accordingly added the degrees in question to the list of recognised degrees which entitle to registration in the Colonial List of the Medical Register of the United Kingdom.

You will notice the proviso that an applicant must satisfy me regarding the other particulars set forth in Part II of the Medical Act of 1886. One of these conditions is the production of evidence that the applicant is entitled by law to practise Medicine in the Country or Provinces in which he obtained his qualification. There is a Medical Ordinance in operation in Bombay and another in Madras, and I understand that an Ordinance is in contemplation in Bengal. I shall be glad if you would inform me which Presidency has jurisdiction over the United Provinces.

Yours faithfully,
A. J. COCKINGTON,
Acting Registrar.

B.—COLLEGES OF THE UNIVERSITY.

EWING CHRISTIAN COLLEGE, ALLAHABAD.

In October, 1846, the British East India Company made over its College work at Allahabad to the American Presbyterian Mission. When the Civil Station was removed from the Jumna in 1853, the Mission purchased the Court building for educational work and started a Collegiate School. After a few years College classes were given up and the institution was known as the Jumna Mission School or the A. P. Mission High School.

In 1900 the American Presbyterian Mission decided to re-open the College at Allahabad, and the First Class was formed in 1902. In order to keep School and College separate, the old Court building was torn down and a better home for the School was put up at the western end of the Jumna compound, leaving the eastern end free for the College. This now has the following buildings:—A main College building with a Laboratory for Biology, a Library (with more than ten thousand volumes), administrative offices, eleven lecture rooms and an Assembly Hall to seat 1,000; a Laboratory for Physics and one for Chemistry; an Infirmary; ten residences for members of the Staff; and five Hostels, providing accommodation for approximately 200. Four of the Hostels are arranged with suites of rooms for one or more unmarried Professors.

In 1923, as a result of the reconstruction of the University of Allahabad, the College gave up its B.A. and M.A. classes to the University and was resolved into two institutions: an Intermediate College, which took over classes IX and X from the High School, and an Internal or University College which provides Hostels (Rhea Hostel at the Jumna and Holland Hall near the University) and tutorial instruction for University students.

The number of students in September, 1926, was 155, including 30 "attached students."

KAYASTHA PATHSHALA, ALLAHABAD.

The Kayastha Pathshala was founded in 1873 by the late Munshi Kali Prasad of the Lucknow Bar. In 1878 it was raised to the Middle English standard and in 1883 to the Entrance standard of the Calcutta University. In 1895 it was affiliated up to the Intermediate standard of the Allahabad University, and in 1914, provisionally up to the B.A. In April, 1919, the College was permanently affiliated up to the B.A. standard. On the reorganisation of the Allahabad University, the Kayastha Pathshala was recognised as a College of the Teaching University in accordance with section 2 (a) of the Allahabad University Act of 1921.

The Institution was registered on August 2nd, 1893, under Act XXI of 1860. The chief controlling authority is the General Body of Trustees who elect a President every five years for the management of the institution.

The income of the College is derived partly from endowments, partly from fees and from Government grants.

The most important endowment is that of Mrs. Radhika Sinha, wife of Mr. S. Sinha, Barr-at-Law, Patna, who gave Rs. 50,000 for the establishment of fellowships to be named Rai Kanhaiya Lal Sewa Ram fellowships.

The College is built on a plot of land opposite the Senate House of the University, acquired on lease from Government in 1924. The foundation-stone of the new building was laid on 2nd June 1924, and the College was opened formally by His Excellency Sir William Marris, Governor, United Provinces, on the 7th December, 1925. The College has accommodation for the residence of nearly 80 students and it offers tutorial and other supplementary instruction in the following subjects:—

SIR SUNDAR LAL LAW HOSTEL.

The Sir Sundar Lal Law Hostel was built in the year 1916, partly by means of a grant from the Government and partly from savings from the income of the University School of Law. It was intended to be a residence for Law Students and was so used up to the year 1922, when a certain number of under-graduates were admitted on the reconstitution of the University. The first Warden of the Hostel was Mr. R. K. Sorabji, Bar-at-Law, Assistant Professor in the University School of Law. On his retirement the Principal of the University School of Law (Dr. J. C. Weir, now Professor of Law in the University) became Warden; and has acted as such since that date. Mr. N. C. Chatterji, University Accountant, formerly Superintendent of certain bungalows used as Law Hostels from 1910 to 1916, has been Superintendent of the Law Hostel since it was built. The Hostel has rooms for 208 students. The Hostel is maintained by the University.

MUIR HOSTEL.

(OLD GOVERNMENT HOSTEL.)

For a long time, the old Government Hostel was located in a bungalow within the Muir College compound on the spot where the University tank is now situated. The old bungalow collapsed and the new building was erected on the present site in 1912. In 1923 the name of the Hostel was changed from Government Hostel to Muir Hostel. The Management of the Hostel is vested in the Superintendent, subject to the control of the Warden. There is accommodation for 54 students. The Superintendent is assisted in his duties by Prefects chosen from among the hostellers. The hostellers make their own arrangements for food.

The students' organisations comprise a Debating Society, a Library Committee and various sports clubs. The Hostel is maintained by the University.

MACDONNELL UNIVERSITY HINDU BOARDING HOUSE, ALLAHABAD.

In order to meet the most pressing want of the Muir and other University Colleges for a Boarding House for Hindu students as expressed in the Report of the Director of Public Instruction of the United Provinces in 1895-96 and subsequently in the reports of the Principal of the then Muir Central College an appeal was made in 1900 by Pandit Madan Mohan Malaviya and the late Raja Jai Kishen Das Bahadur, C.S.I., Pandit Bishambhar Nath, Raja Madho Lal, Rai Nihal Chand Bahadur, Rai Sri Ram Bahadur, Rai Ramcharan Das Bahadur, and Sir Sundar Lal for funds to establish a Hindu Boarding House at Allahabad. Accordingly funds were collected and the foundation stone of the Boarding House was laid by the then Lieutenant-Governor of the Provinces, Sir Antony MacDonnell. The main building and the Balrampore Hall with kitchens and outhouses were erected in a couple of years and the opening ceremony was performed by the successor of Sir Antony MacDonnell, another Lieutenant-Governor, Sir James Digges LaTouche. The demand for more accommodation was so persistent that two wings had to be constructed in 1917. The MacDonnell University Hindu Boarding House therefore now offers accommodation for 216 students. The institution is in charge of a registered association called "the MacDonnell University Hindu Boarding House Society" and is managed by a governing body and an Executive Committee of which the Chairman is Rai Bahadur Pandit Baldeoram Dave and Secretaries

Munshi Iswar Saran, M.L.A., and Pandit A. P. Dube, B.C.L., M.L.C., Bar.-at-law. H. H. the Maharaja of Benares is the President of the Society and Sir Pramoda Charan Banerji and Pandit Madan Mohan Malaviya are the Vice-Presidents. The late Pandit Daya Narain Bajpai was the Superintendent of the Institution since it was established up to 1918. He was succeeded by Pandit Devi Prasad Shukla who is the present warden of the institution. Amongst the previous Secretaries may be mentioned such distinguished persons as Sir Sundarlal and Sir Tej Bahadur Sapru. The building has cost more than three lacs of rupees. It is a very popular institution and during the last 25 years of its useful existence it has given accommodation to thousands of students who are now to be found in almost all the provinces of the country most of them occupying eminent positions.

MOHAMMEDAN BOARDING HOUSE, ALLAHABAD.

The idea of founding a boarding house for the Mohammedan students of the Muir Central College originated from the late Moulvi Samiulla Khan Bahadur, C.M.G., through whose exertions a small Committee was formed with the object of collecting funds and sufficient amount was raised to enable the Committee to apply to Government for the grant of a plot of land within the Muir Central College compound. The foundation was laid by His Honour Sir Auckland Colvin on the 11th of March, 1890. At first twenty rooms were built and by the year 1898 ten more rooms and a large hall were added. Thus the first quadrangle which provided accommodation for thirty boarders was completed.

The number of Mohammedan students in the Muir Central College rose and it was found necessary to build another quadrangle. In 1906 Sir James LaTouche made a grant of Rs. 15,000. With this grant and the amount already in hand a new and larger Dining Hall and ten more rooms with necessary bath rooms, latrines, etc. of modern sanitary design were built.

The "Board of Trustees of Mohammedan Boarding House" was formed, new rules and regulations were made which were sanctioned by the Government and registered in accordance with the Act XXI of 1860. Since 1919 Moulvi Syed Mohammad Ali Nami has been the Superintendent and Mr. Zahid Husain is the present Assistant Superintendent.

Her Highness Begam Sahiba of Bhopal visited the Institution in 1910 and His Honour Sir James Meston made grants of money amounting to Rs. 55,249. Her Highness the Begam of Bhopal made a donation of Rs. 9,000 and a recurring grant at Rs. 50 a month. Prince Humidulla Khan made a donation of Rs. 5,000 for Boarding House Library. With the grant received from the U.P. Government and the donation from Bhopal State the total amount available was Rs. 65,600 out of which the rest of the building including the whole of the second quadrangle was built. It now provides accommodation for 100 students in addition to the quarters for Superintendent, Assistant Superintendent and other servants.

In 1920 Sir Harcourt Butler made a grant of Rs. 11,000 for the building with electric light and fans.

Nawab Mozummilullah Khan Sahab paid Rs. 400 being half of the sum required for equipping the boarding house with a hospital, the other half being paid by the Government.

The Boarding House provides for all the indoor and outdoor games. There is a spacious hall for literary and debating society and a common room for the library which subscribes for several newspapers and periodicals.

Out of the above-mentioned donation of Rs. 50 per mensem by the Begam Sahiba of Bhopal a Dean has been appointed to conduct daily prayers in the Boarding House Prayer Hall. Monetorial System on improved lines has been introduced by the Board of Trustees.

The following gentlemen are the present office bearers :—
